Shippensburg University Red Raider Marching Band 2022

The Shippensburg University Marching Band has built a legacy of excellence serving as SU's centerpiece of school spirit and pride. Throughout the Ship community, our student-lead organization carries a reputation that is tough to match. As long-time supporter Bill Dean says, we're the "best band in the land" and are proud to represent Ship at home and away football games as well as exhibition performances near and far.

As you can imagine there are significant costs associated with the SUMB's operation. Your support helps provide domestic and international travel opportunities to enhance the band's experience. This year, the band is traveling to Prague, Czech Republic to perform in local Christmas market festivities.

We would like to thank you for your consideration. Without our community supporters, the SUMB would not be the exceptional organization it is today.
